

# JOHN KHYLLE C. DUMLAO

**Address:** Blk 14 Lot 34, Santan Street, Brgy.Minuyan 2, City of San Jose Del Monte, Bulacan

**Phone:** 0936-136-7159

**Email:** Kayldumlao@gmail.com@gmail.com

**Birthday:** September 05, 2004

## SUMMARY

Detail-oriented and certified IT student pursuing a career in full-stack development. Proficient in front-end technologies HTML, CSS, JavaScript and back-end programming with Python and Node.js. Combines a passion for creating intuitive user experiences with strong technical skills in building functional and responsive web applications. Holds certifications in TOPCIT and the TESDA Online Program, underscoring a dedicated approach to professional growth and technical excellence.

## SKILLS

- Proficient in Python and JavaScript for building scalable web and mobile applications.
- Experienced in front-end development using HTML, CSS, and modern JavaScript to create responsive and user-friendly interfaces.
- Developed and deployed full-stack applications using Django, Python, JavaScript, and MongoDB, building RESTful APIs with JSON and deploying on Render
- Understanding of Agile methodologies and the software development lifecycle (SDLC).
- Familiar with version control systems, specifically Git, for collaborative code management and project tracking.
- Knowledgeable in using Figma for UI/UX design, prototyping, and translating visual concepts into functional code.

## EXPERIENCE

### FREELANCE GRAPHIC DESIGNER AND WEB DESIGNER

- Designed eBook layouts and marketing materials using Canva
- Logo Designing using Adobe Photoshop
- Created and customized client websites using Wix
